Form Number XT8/CRT(6/08)-04 to be used with prior approved Variable Annuity form No. ASXT165/CRT(09/01)-01 et al, approved by your Department on October 11, 2001.

Dear Ms. Meeks:

Prudential respectfully submits for your approval Schedule Page XT8/CRT(6/08)-04 to be used for new business with prior approved annuity forms ASXT165/CRT(09/01)-01 et al for those annuity holders who wish to purchase the annuity with the benefits/features indicated in this Schedule page.

This is not a replacement filing, and prior approved Schedule Page ASXT165/CRT(09/01)-04 may continue to be issued to annuity holders that elect the prior approved features. A primary difference between the forms is that the new page 4 of the Schedule increases the Credit for annuities with cumulative Purchase Payments that are greater than or equal to \$100,000. The new Schedule page also increases the Insurance Charge to 1.75% for the life of the Annuity; whereas, the originally filed Schedule page had a lower Insurance Charge for the life of the Annuity. The prior approved Distribution Charge is no longer applicable for annuity holders who select the new features. Also, a new item shown as "Fixed Investment Option" is added as a field in the Schedule to assist us with possible future flexibility in terms of making this option available. Currently, the Fixed Investment Option is shown as available. A red-line copy of the

Schedule is enclosed to assist the Department in its review.

Any information or values shown within brackets in the Schedule indicate that we reserve the right to change the information based on any specific groups or classifications to which we wish to offer the new benefits. The group master contract for the underlying annuity that will utilize the Schedule pages being filed is issued in Illinois. We plan to offer only the group certificate form in your jurisdiction.

We confirm that other than the changes described above to items in the Schedule no other changes to the originally filed Annuity have been made, and the content of the original filed annuity form remains as filed.

It is our belief that there are no provisions in these forms that are unusual so that they deviate from standard industry practice. Any certifications or other materials Prudential believes you require are also enclosed. Prudential believes that the forms are exempt from any "Flesch score" or readability requirements in your statutes or regulations under the provision exempting contracts filed as securities under federal law. Unless otherwise informed, Prudential reserves the right to alter the layout, including sequential order, color, and typeface of these forms. Prudential confirms any such change will be in compliance with your requirements.

Please do not hesitate to contact the undersigned as indicated below if you have any questions or require additional information.

Very truly yours,
